THE Rice Raiser

CAMPAIGN 2012

The Office Challenge

Hunger Response INTERNATIONAL

www.hungerresponse.org

Imagine…if we could raise just $300.00
Look how many people we could help globally!

$3 - $1 Match!

1. **In Burundi we could buy a family a real live cow!** **$125.00**
   It would normally cost $500 for a cow, but for this project, for every $1 raised, the Canadian Government will match with $3! WOW!

2. **Plus, we could help 10 children in Haiti have a meal for two whole weeks!** This would help them to receive an education instead of working on the streets or as a slave in someone's home. **$63.00**

3. **Plus, 10 children in North Korea can have a daily cup of Soymilk for an entire year!!** This is their daily source of protein and a very important way to keep the orphans and kindergarten kids from being malnourished! **$64.00**

$4 - $1 Match!

4. **Plus 30 girls in Sudan would get a meal for 16 days at school – helping to ensure an education for them!** **$48.00**
   At 50 cents a meal, feeding 30 girls for 16 days should really cost $240.00, but because the Canadian Government is matching every $1 with $4, that means 5 children can receive a meal for 50 cents each! WOWEE!

Total **$300.00**

Act Locally

And we each can bring a bag of rice for the local food bank!

100% of all designated donations go to the project! If you wish to support the work of Hunger Response Int. we thank you. Please indicate so separately.
