

## If I Lived In A Village Break Out Cards

<p>Where do you sleep and what do you sleep on?</p>	<p>What if you need to go to the bathroom in the middle of the night?</p>
<p>Do you sit at a kitchen table and chairs to eat your dinner?</p>	<p>Where is your food cooked? What is it cooked on?</p>
<p>How about a refrigerator...there isn't one...how do you keep your food fresh?</p>	<p>It gets dark around 6:00 pm every night. There is no electricity. What do you do in the evenings?  (hint: The evening cools off so lots of bugs and insects come out. Think about moths around a light bulb here)</p>
<p>What things are expected of you when you are not in school?</p>	<p>Your family makes a living from growing vegetables and raising goats. What are your daily chores?</p>
<p>You have no indoor plumbing with faucets, toilets, etc. Where do you get your water from? Who's job is it, the girls or the boys? <small>(Water for drinking, for washing dishes and clothes, for bathing, for your garden, etc.)</small></p>	<p>Your school is one hour's walk along a steep mountain path. It's the dry season and very hot. What do you do when you are tired, hungry and thirsty?</p>
<p>With no toys, no sports equipment, no electronics, only walking for transportation; what are you most likely to play at?</p>	<p>You have lots of fresh fruit that you and most of your family and friends grow. What type of fruits?</p>
